## Pupil Premium Funding

The Government allocates additional funding to schools, aimed at further supporting pupils who are either: eligible for Free School Meals (FSM), looked after by the local authority (CLA), or who have recently been adopted.

Data collected from schools, in January of each year, is used to determine the amount of funding a school will receive, based directly on the amount of pupils who are eligible on, that given date.

Kings Langley Primary School was allocated £84,188 during the Financial Year of 2014-2015 (April 2014 to March 2015 inclusive). We used this funding to provide:

- additional Teaching Assistants to support pupils in and out of class
- pastoral support for individuals
- 1:1 tuition for identified pupils
- personalised electronic equipment
- access to school visits
- individual Play Therapy

For this current year (April 2015 to March 2016 inclusive) we have been allocated £75,118.

As in 2014/15, we intend to spend this year's allocation on trying to close the attainment gap between those children who are in receipt of these funds, and those who are not.
