Pupil Premium Funding

The Government allocates additional funding to schools, aimed at further supporting pupils who are either: eligible for Free School Meals (FSM), looked after by the local authority (CLA), or who have been adopted from the care of the Local Authority.

Data collected from schools, in January of each year, is used to determine the amount of funding a school will receive, based directly on the amount of pupils who are eligible, on that given date.

During the financial year April 2016-March 2017 we used this funding to provide:

- additional Teaching Assistants to support pupils in and out of class
- pastoral support
- 1:1 tuition
- personalised electronic equipment
- access to school visits
- Play Therapy
- school uniform
- school meals
- access to after school clubs
- transport to school related activities

For this current year (April 2017 to March 2018 inclusive) we have been allocated £62,460.

As in 2016/17, we intend to spend this year's allocation on trying to close the attainment gap between those children who are in receipt of these funds, and those who are not.
